Etika v podnikání a ve společnosti 2012 Kunín, Česká republika 5<sup>th</sup> December, 2012

•••••

Audit, preparation and application of selected anti-corruption measures in Martin

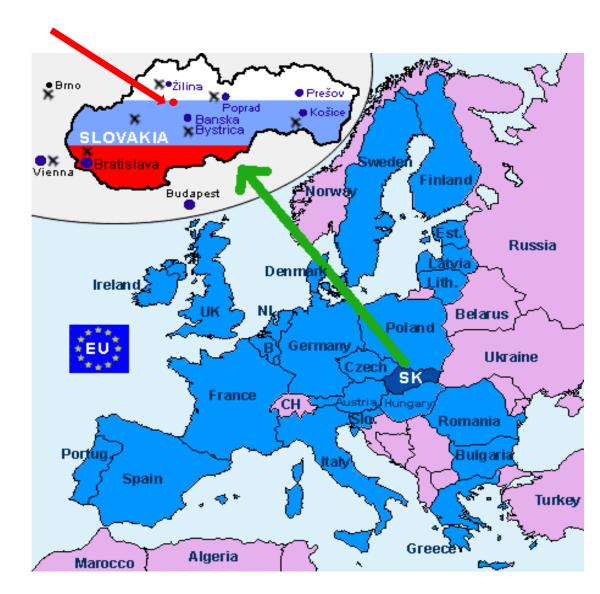

#### Basic facts about the town of Martin

- 8<sup>th</sup> biggest town in Slovakia
- 57 410 inhabitants
- ■1284: The first written mention about Martin as "Villa Sancti Martini"
- 1994: National council of SR legitimized the Town of Martin as the center of national culture of the Slovaks

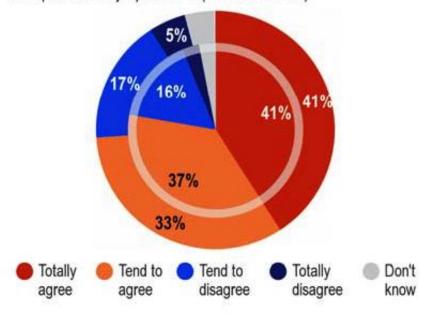

#### ATTITUDES OF EUROPEANS TOWARDS CORRUPTION

QC1.1. For each of the following statements, could you please tell me whether you totally agree, tend to agree, tend to disagree or totally disagree with it.

Corruption is a major problem in (OUR COUNTRY)

Inner pie: EB72.2 Sept.-Oct.2009

Outer pie : EB76.1 Sept. 2011

EU27

Three quarters of Europeans agree that corruption is a major problem for their country (74%) and little more than one fifth disagrees (22%).

# Situation before

public finances and assets

legal protective barrier

Mr. Bribe Me

# Road to transparency

public finances public property

employee recruiting

contracts

invoices

complex package of anti-corruption measures

# Key success factors:

- Political will to voluntarily change current status about a mandatory scope given by the legislation
- Cooperation of expert guarantor in the field of corruption transparency with international reputation, experience, professional background and qualification – partner we have found in **Transparency International**

### **Slovakia**

- Media involvement
- Public oversight and pressure
- Dedication to challenge obsticles
- Readiness to constantly evaluate and make improvements

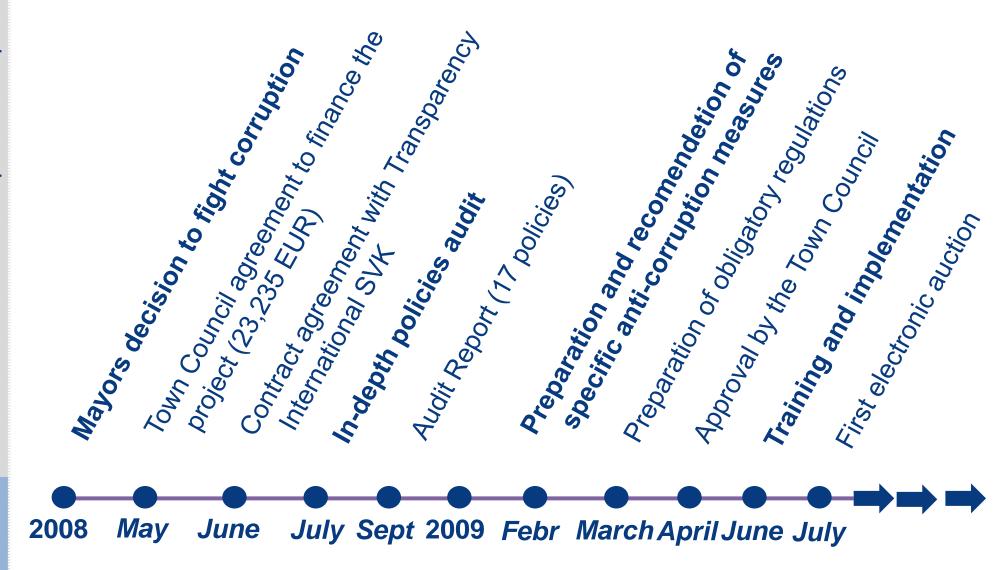

# Main project objectives

- •Increased transparency in the decision making processes far above the mandatory scope set by law
- Reduced potential space for corruption
- •Increased public engagement in governance
- Regain public trust in public administration and politicians
- Saving of public finances and assets
- •Introduction of a complex package of anti-corruption measures in various areas of the town activities
- •Increased information flow to the citizens

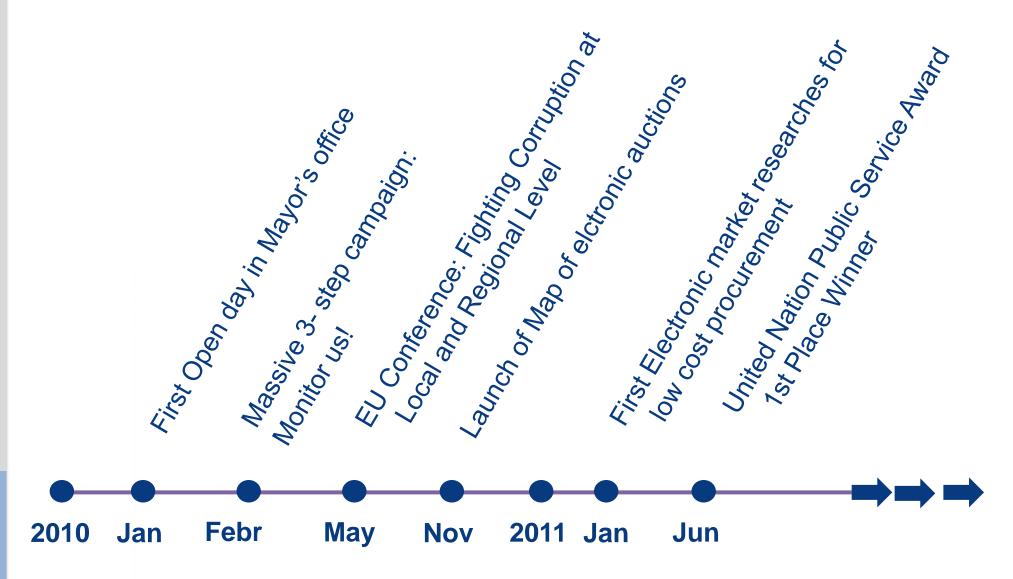

## Step by step process: 2008 - 2009

# Step by step process: 2010 - present day

# Some of positive outcomes:

- Increased transparency
- Increased public involvement in governance and accountability
- Saving significant financial resources
- Regain of public trust in self-governance
- Media exposure
- Town's prestige leads to more investments
